

# T-RANGER

RUGGED TABLET T-RANGER 10.1" ANDR 11 SCANNER EU

## Description

T-RANGER is a high performance, highly customizable rugged tablet to suit your applications. Its powerful connectivity guarantees interoperability with a plethora of accessories, while its rugged design with Gorilla Glass supports 1 M drop resistance. The device is equipped with all day battery life, including a hot swappable battery, to extend operating time without interruptions; its multi-functional charging cradle can transform it into stationary setup with dedicated connectivity, supporting LAN, USB and serial port. Finally, T-RANGER includes a high performance 1D/2D barcode scanner, suitable for inventory check, meter reading and more.
